

****INFORMATION SESSION****

THE VINDOLANDA FIELD SCHOOL **SUMMER 2015**

Interested in archaeological excavation?

Thinking about a summer academic program abroad?

Come to an information session about the Vindolanda Field School summer program offered through the Department of Classical Studies at Western, with Dr. Elizabeth Greene and Dr. Alexander Meyer and supported by the Vindolanda Trust in England.

WHEN: Thursday, October 16th 2014, 4:30 pm

WHERE: Physics & Astronomy Building 34

Learn about the academic program which includes archaeological excavation near Hadrian's Wall and field trips to the historic sites of Roman Britain. We will discuss program dates, costs, and credits and answer questions about archaeology and the Field School.
