3-Year Limited-Term Faculty Position: Lecturer or Assistant Professor
Arthur Labatt Family School of Nursing

The School of Nursing, with a proud 96 year history of academic and research excellence, seeks a Masters prepared Registered Nurse for the role of Clinical Practice Faculty Lead in a Limited-Term faculty position at the rank of Lecturer or Assistant Professor. Rank and compensation will be commensurate with educational qualifications and experience. The successful candidate will teach across undergraduate programs and work closely with the Associate Director, Undergraduate Programs and a faculty and staff team in the development and provision of evidence-informed clinical practice education. Additionally they will provide leadership, mentorship and support to preceptors and clinical instructors and forge connections and collaborations with community partners and agencies. The successful candidate may engage in teaching scholarship, including knowledge dissemination and exchange activities, to advance evidence in the field.

Successful candidates will have a strong understanding and demonstrated application of adult learning principles, a learner-centered philosophy of teaching, learning, and evaluation, teaching experience at the baccalaureate level, recent nursing practice and clinical teaching experience. Knowledge and expertise in teaching and learning in flexible learning and simulated learning environments are assets. Applicants will be Registered Nurses (Regular or Extended class), hold a current licence entitling them to practice with no restrictions with the College of Nurses of Ontario and have a Master’s degree in Nursing (or be completed by the start date of appointment).

The Arthur Labatt Family School of Nursing School is one of six Schools in a progressive Faculty of Health Sciences (http://www.uwo.ca/fhs/) and offers academic programs in nursing at undergraduate, masters, and doctoral levels. Support for research development and teaching are available through the Nursing Research Unit, the Faculty, and the University and Teaching Support Centre (http://www.uwo.ca/tsc/) respectively. Exceptional simulated learning environments in the School facilitate the application of professional knowledge and abilities. A new state-of-the art building for the School opened in January 2017.
