

**School of Physical Therapy
Limited-Term Faculty Position
Academic Coordinator of Clinical Education**

The Faculty of Health Sciences at Western University invites applications for a Limited-Term (potential for renewal) faculty position for up to 3 years at the rank of Lecturer or Assistant Professor. Rank and salary will commensurate with the applicant's qualifications and experience. This academic position will serve as the Academic Coordinator of Clinical Education in the School of Physical Therapy. The anticipated start date is October 1, 2017, or as negotiated.

Candidates must be physiotherapists who: 1) have completed a thesis-based masters or doctoral degree in a related field; 2) have excellent organizational and interpersonal skills; and 3) are eligible for licensure by the College of Physiotherapists of Ontario. Preference will be given to candidates with a PhD and previous university-based clinical education experience. The selected appointee will lead the clinical education component of the MPT program and be responsible for the management and development of clinical placements for approximately 140 physical therapy students, as well as engage in academic teaching in the School of Physical Therapy. Involvement in research is encouraged and supported.

The School of Physical Therapy is one of six Schools within the Faculty of Health Sciences and has two masters level programs: 1) an entry-level professional Master of Physical Therapy (MPT) program; and 2) a Master of Clinical Science (MCISc) program with two fields of study (Manipulative Therapy and Wound Healing). In addition, the Faculty of Health Sciences offers an interdisciplinary Health & Rehabilitation Sciences Graduate Program offering MSc and PhD degrees. For more information, see <http://www.uwo.ca/fhs/pt>.

Western University, with its affiliated teaching hospitals and research institutes, is known as one of Canada's premier centers for research in rehabilitation. The Faculty of Health Sciences and the School of Physical Therapy have identified mobility research as a strategic priority at http://www.uwo.ca/fhs/pt/about/files/pt_strat_plan_15_16.pdf and aligns with the signature areas identified in the Faculty of Health Sciences' Strategic Research Plan at http://www.uwo.ca/fhs/research/files/strat_research_plan_2016.pdf.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, the Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

Interested applicants are required to complete the application for Full-Time Faculty Position Form - available at <http://uwo.ca/facultyrelations/pdf/careers/Faculty/Application-FullTime-Faculty-Position-Form.pdf>, as well as submit a cover letter, curriculum vitae, a summary of teaching philosophy and/or experience, and a brief statement of research interests, together with the names and contact information of three academic referees to:

Dr. Bert Chesworth, Director
School of Physical Therapy, Faculty of Health Sciences
Room 1588, Elborn College, Western University
London, ON, N6G 1H1
bcheswor@uwo.ca

The deadline for receipt of applications is August 25, 2017.

Please quote **HS 174** on all correspondence.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups/visible minorities, Aboriginal persons, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian Immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Dr. Bert Chesworth, Director, School of Physical Therapy at bcheswor@uwo.ca.
