Clinical Academic Appointment: Clinical Teacher, Department of Family Medicine
Schulich School of Medicine & Dentistry
Western University

The Department of Family Medicine at the Schulich School of Medicine & Dentistry, Western University, is inviting applications for a full-time clinical academic teaching position within an innovative and exciting Department of Family Medicine. Rank, term of appointment and salary will be commensurate with qualifications and experience. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with certification from the College of Family Physicians of Canada. A relevant master’s degree or interest in pursuing a Master’s in clinical science is preferred. Practice experience is preferred and experience and interest in teaching is essential. The successful candidate will be expected to fill the position starting July, 1 2015.

This position will be primarily located at the Southwest Middlesex Health Centre, one of several core teaching units in the Department of Family Medicine, in Mt. Brydges, Ontario. The successful candidate will engage in a full spectrum comprehensive family practice including office-based care, care of the elderly, aboriginal health (The First Nations Health, regular inpatient and orphan patient rounds), palliative care, hospital care, long-term care and home visits. Emergency and intrapartum obstetrics will be required.

Teaching and supervision of family medicine residents, clinical clerks and medical students in the practice will be required. The successful candidate will also be expected to engage in scholarly activities, suitable to an academic practice, such as administration, teaching innovation and research.

The Department of Family Medicine is an academic leader of family medicine in Canada. The Department is committed to developing exemplary family physicians and future leaders in healthcare through clinical excellence, professional education, administrative leadership and robust research.
