Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

The Department of Psychiatry (http://www.schulich.uwo.ca/psychiatry/) is organized around four academic Divisions including General Psychiatry, Geriatric Psychiatry, Child and Adolescent Psychiatry, and Forensic Psychiatry, as well as recognized Programs in Neuropsychiatry and Developmental Disabilities. Our divisions and Programs provide an academic home for approximately 80 clinical academics and 6 basic scientists and support education, training and research in each of these areas.

The Department of Psychiatry and Schulich School of Medicine & Dentistry at Western University is inviting applications for a full-time clinical academic faculty position that includes clinical work with our Assertive Community Team within the Treatment and Rehabilitation Program at Parkwood Institute Mental Health Care and with the Consultation/Liaison Services at St. Joseph’s Health Care London and/or London Health Sciences Centre. Academic rank and contract status will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario with eligibility for certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada.

The successful candidate must have proven academic and clinical skills in rehabilitation/community psychiatry and consultation/liaison psychiatry. Evidence of demonstrated excellence in education; experience/expertise in Competency Based Medical Education and a commitment to teaching is required. The Department and the program encourage activities in clinical/service development, teaching and research. An MSc in Medical Education would be considered a definite asset. Leadership skills are a requirement to assist in strategic planning, capacity building and collaboration within teams, the Department, and across the region. The successful candidate will embrace evidence-based practice and will thrive in an environment of continuous learning and education. Knowledge of, and dedication to, a recovery-oriented treatment philosophy is required.

Compensation will include payment for services in a variety of forms including salary, alternative funding plan, fee for service and academic support.

At Western University, this is a particularly exciting time to work in rehabilitation psychiatry. Clinically, our interdisciplinary team works closely together with each of our patients utilizing a recovery-oriented treatment philosophy – one that prioritizes individual choice and personal goals, builds on strengths, and instills hope.
Academically, we are committed to advancing the scientific evidence base in our field, and providing exceptional educational opportunities for trainees in all disciplines.

Those interested in applying for this position should email a statement of interest, curriculum vitae, at least three letters of reference, and also complete, sign and include the form at the following link: [http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf](http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf) to:

Dr. Jeffrey P. Reiss, Professor and Chair/Chief
