Western University and
London Health Sciences Centre

Invite applicants for the position of

Academic Cardiac Surgeon, Department of Surgery

The Division of Cardiac Surgery, Department of Surgery, Schulich School of Medicine & Dentistry at Western University Ontario is seeking a full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor, depending upon experience and qualifications at the time of appointment. The Division of Cardiac Surgery is affiliated with London Health Sciences Centre and is comprised of eight cardiac surgeons with busy clinical practices providing all aspects of coronary artery, complex valvular and aortic, transplantation, assist devices and minimally invasive robotic-assisted cardiac surgery. The Division has a strong clinical research interest and employs two research coordinators and has an accredited cardiac surgery training program.

The successful candidate must have a strong academic background and training or interest in extracorporeal membrane oxygenator, assist devices, and heart transplantation and will be expected to participate in the Division’s academic and educational initiatives including teaching and supervision of undergraduate students, residents, and fellows. Applicants should have a background or experience in surgical education with the expectation of assuming the Residency Program Director position within a year. Applicants considered at the rank of Associate or Full Professor must demonstrate the ability to publish in the highest quality academic and subspecialty outlets and be a recognized expert in his or her field of research. It is strongly recommended that the applicant has a post graduate Masters degree or the commitment to obtain it upon acceptance into the faculty.

The successful candidate must have an MD or equivalent; have completed an accredited cardiac surgery training program; have received (or are eligible for) a Certificate of Special Competence in Cardiac Surgery from the Royal College of Physicians and Surgeons of Canada (or equivalent); and be eligible for licensure in the Province of Ontario.

Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of the following sources: Fee For Service (OHIP billings), Alternative Funding Plan, and Academic Salary.

London is Canada’s 10th largest city with a population of 400,000, a catchment area of 2 million, and is situated in southwestern Ontario between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse city and its numerous parks, trails, recreational, cultural and sporting opportunities make it an attractive place to live. Western University is a research-intensive university with full-time enrolment of about 34,000 students with a full range of academic and professional programs. The Schulich School of Medicine & Dentistry (Schulich) provides an outstanding educational experience within a research intensive environment where tomorrow’s physicians, dentists and health researchers learn to be socially responsible leaders in the advancement of human health.

Interested candidates should send a letter of interest and statement of academic qualifications, curriculum vitae, the names and addresses of three references, and also complete, sign and include the form at the following link http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf to:
