Sorry – The form/document you are seeking is no longer available

We are transitioning to Sun Life Financial to improve your pension services!

As a result of the transition of Pension Plan services to Sun Life Financial, the form or document you are looking for is no longer available.

The December deadline for pension transactions at Western was December 15, 2016.

When your Western Pension account is fully transferred to Sun Life Financial (the end of January 2017), you will once again be able to make changes to your account. Those changes can be made by visiting sunlife.ca/western, or by phone.

Watch your mailbox at home for two letters from Sun Life Financial telling you how to register and begin using your new account at Sun Life. In early January a letter will be sent to you letting you know your account has been established at sunlife.ca/western, although your balances and investments will not yet be visible.

Then in late January, you will receive a second letter to let you know the transfer is complete and you may begin making transactions. Read details on the transition to Sun Life Financial.

If you have questions please contact hrhelp@uwo.ca.
