Physical Plant & Capital Planning Services  
The University of Western Ontario  
661-2111 ext. 83304 or ppdhelp@uwo.ca

www.uwo.ca/ppd/recycling

## Hazardous Material

For all matters relating to hazardous or potentially hazardous materials, contact Occupational Health & Safety ext. 82194, Support Services Building 5100.

## Furniture/Equipment

The Purchasing Department provides an online service for asset disposal, including furnishings: <http://www.uwo.ca/finance/purchase>. Bid forms are available online or from the Purchasing Office, Support Services Building, Suite 6100.

## Cardboard

Crush cardboard flat and tuck it beside garbage bins. Caretaking Services will collect on their scheduled route.

## Co-Mingled Paper

- boxboard (i.e. cereal boxes, tissue boxes);
- catalogues & magazines
- newspaper
- phone books
- egg cartons
- flyers
- envelopes (incl. windows)
- writing & computer paper

## Organics

Currently only available in some units on campus, office composting is a self-service program, with equipment supplied by Physical Plant. Call the Service Centre at ext: 83304.

## Batteries/Toner

Western Office Supplies operates a toner recycling and battery recovery program, providing a pick-up service for these materials. For assistance, call ext: 88122.

## eWaste

Electronic waste, such as computers and monitors, are recovered by Physical Plant and demanufactured via government accredited facilities. Small units can be left on building loading docks. If you are disposing of higher volumes, contact ext. 83304 to request the delivery of a collection bin. For best practice info, refer to [security.uwo.ca](http://security.uwo.ca)

## Co-Mingled Beverage

- rigid food, beverage & liquid containers
- aluminum & steel containers
- empty paint cans
- glass bottles & jars
- plastic bottles and containers with the number 1, 2, 4 & 5
- milk cartons & drink boxes
