Application Requirements and Procedures

(S.11-11a)

To apply to the Honors Business Administration Program, students must complete the on-line application form available at www.ivey.uwo.ca/hba. On-line applications are typically available by early November.

Applicants whose first language is not English may be required to demonstrate their English proficiency through an established English test. Applicants must write one of the following tests and meet the minimum requirements: the Test of English as a Foreign Language (TOEFL), the Michigan English Language Assessment Battery (MELAB) or the International English Language Testing Service (IELTS). For additional information about these tests, please refer to ADMISSION section.

With the exception of academic transcripts, all application information must be complete by the January deadline.

Admission Criteria

(S.10-193)

The students are carefully-selected, well-rounded achievers who have the intellectual ability, ambition and stamina to meet the high academic standards and the demanding work-load of the program. Each student has a record of distinctive personal achievement and potential for leadership, as well as strong academics. Admission to the HBA program is competitive and the possession of the minimum requirements does not assure acceptance. An 80%+ average is considered to be competitive.

Admission Requirements

(S.94-212, S.10-193, S.12-164)

The Ivey Honors Business Administration Program requires the successful completion of no fewer than 10.0 courses of university study with a minimum overall average of 70%. All students seeking admission to the Honors Business Administration Program must achieve a minimum 70% in Business Administration 2257 (or an equivalent) and one Grade 12 Mathematics course for university-bound students, or Mathematics 0110A/B or Mathematics 1229A/B, in their prior program of study.

Candidates from Accredited Degree-Granting Institutions

(S.10-193)

Candidates with acceptable standing from accredited degree-granting institutions may be considered for admission provided that they have completed the equivalent of 10.0 transferable university credits. All students planning to apply to the Honors Business Administration Program must take the Business 2257 course at Western, or its equivalent from another accredited institution.

ADVANCED ENTRY OPPORTUNITY

(S.98-106, S.98-172, S.00-183, S.01-155, S.09-66, SCAPA 09APR, S.12-07)

The Ivey Advanced Entry Opportunity (AEO) extends conditional, pre-admission status to the HBA program to exceptional secondary-school students. Ivey AEO applicants are assessed on their academic record and demonstrated leadership in extracurricular activities, community involvement, and work experience. Ivey AEO status is available only to students who choose to study at Western or one of the affiliated university colleges (in a faculty of their choice) for their first two years of university.

Students must first be admitted to Western or one of the affiliated university colleges before being offered Ivey AEO status. Applicants are notified separately from the Registrar's Office concerning their admission to first year.

Approximately 2/3 of the Ivey HBA class are former Ivey AEOs; the remaining 1/3 are students from Western and other universities to develop an interest in business during their first two years of study.

Students interested in the Ivey AEO apply to Western or one of the affiliated university colleges on the Ontario Universities' Application Centre (OUAC) form. They must also apply separately to the Richard Ivey School of Business. The Ivey AEO application is only available on-line at www.ivey.uwo.ca/hba. There is an application fee payable to the Ivey Business School. Please refer to www.ivey.uwo.ca/hba for more information.

Both applications are due by the OUAC application deadline in January.

A competitive Ivey AEO application includes:

- 90%+ average in the final year of secondary school;
- completion of the mathematics course for university-bound students;
- demonstrated leadership in extracurricular activities, community involvement, and work experience.
