BHATT, Aniket –Science

Hi there! My name is Aniket and I am extremely excited to be running for the Board of Governors. During my time at Western I have served on Senate and have a proven track record of advocating for students on issues like developing a fall reading week, releasing earlier exam schedules, and increasing transparency by opening committee meetings to the public. It is my strong desire to continue serving students on the Board of Governors.

MUNDI, Parmveer –Science

Western is a community of giving and I want to continue to give back in every way I can. I want to draw on my leadership experiences as a former Residents' Council President and Soph and current RezStaff member to represent you. I want to advocate on your behalf on issues that matter you including mental wellness, academics, and student support. Together we can work towards making the Western experience, your experience.

PIRONE, Victor – Ivey/Law

My name is Victor Pirone and it is both an honour and a privilege to announce my candidacy for Western's Board of Governors. Acting as a governor for Western is an important responsibility. The Board of Governors is responsible for the good governance and strategic direction of the university. As a student pursuing degrees in law and business, I am intimately familiar with the roles and responsibilities of a governor. I look forward to the opportunity to effectively serve the students of Western in this position.
