Course Grade Appeals Form for Science Courses

DETAILS ABOUT APPEAL:

- A. The [first step](#) of the grade appeal process is a meeting or email correspondence with your **Course Instructor**. Please describe your consultation with the instructor (indicate the date of your interaction, provide emails, if applicable, and describe the result). If the instructor is not available or failed to respond to your request within 7 calendar days, state so explicitly.
- B. Why are you not satisfied with the response provided by your Course Instructor? Provide your grounds and cite any applicable policy in the [Western Academic Calendar](#) (e.g. the fairness of your assessment in the course). Your argument should not contain any reasons that have not been presented to the instructor.
