

The **3M** University Lecturer in Chemistry 2004-2005

[Professor Albert Padwa](#)

*William Patterson Timmie Professor
Organic Chemistry
Emory University, Atlanta, GA*

B.A., Columbia University, 1959; Ph.D., Columbia University, 1962; Postdoctoral Research Fellow, University of Wisconsin, 1962-1963.

Volume Editor for Science of Synthesis (SOS); Vol 27, Compounds with Two Carbon-Heteroatom Bonds; Thieme-Verlag, Stuttgart, Germany (2002-2004), 3M Distinguished Lecturer at the University of Western Ontario, London, Ontario, Canada, Wilsmore Fellow in School of Chemistry, University of Melbourne, Australia, Robert Lutz Lecturer at the University of Virginia (2004), Fellow, International Society of Heterocyclic Chemistry Award (2003), Associate Editor of Journal of Organic Chemistry (2002 - present), President of the International Society of Heterocyclic Chemistry, 1994-1996; Recipient of the Florida Award, Florida Sections of the American Chemical Society, 1994; Editorial Advisory Board, Heterocyclic Communications, 1994-present; Volume Editor for Comprehensive Heterocyclic Chemistry II, Elsevier Press, 1993-1995; Rayson Huang Visiting Lectureship, University of Hong Kong, 1993; Symposium Chairman, Heterocyclic Chemistry, Washington, 1990 ACS Meeting; Southern Chemist Award, Memphis Section of the ACS, 1990; Fulbright Hays Fellowship, Great Britain, 1990-1992; NATO Research Awardee, 1990-1994, Loughborough University, England; Charles H. Stone Award, 1996.

Has been cancelled and will be rescheduled.
