

Earth Sciences

Colloquium Series

Join the Earth Sciences Department in a live speaker panel discussion related to the current 'hot topic' of Critical Minerals.

What's so exciting about critical minerals? Why is everyone talking about this?

How should students prepare for career opportunities related to critical minerals?

Date: Friday, March 6, 2026

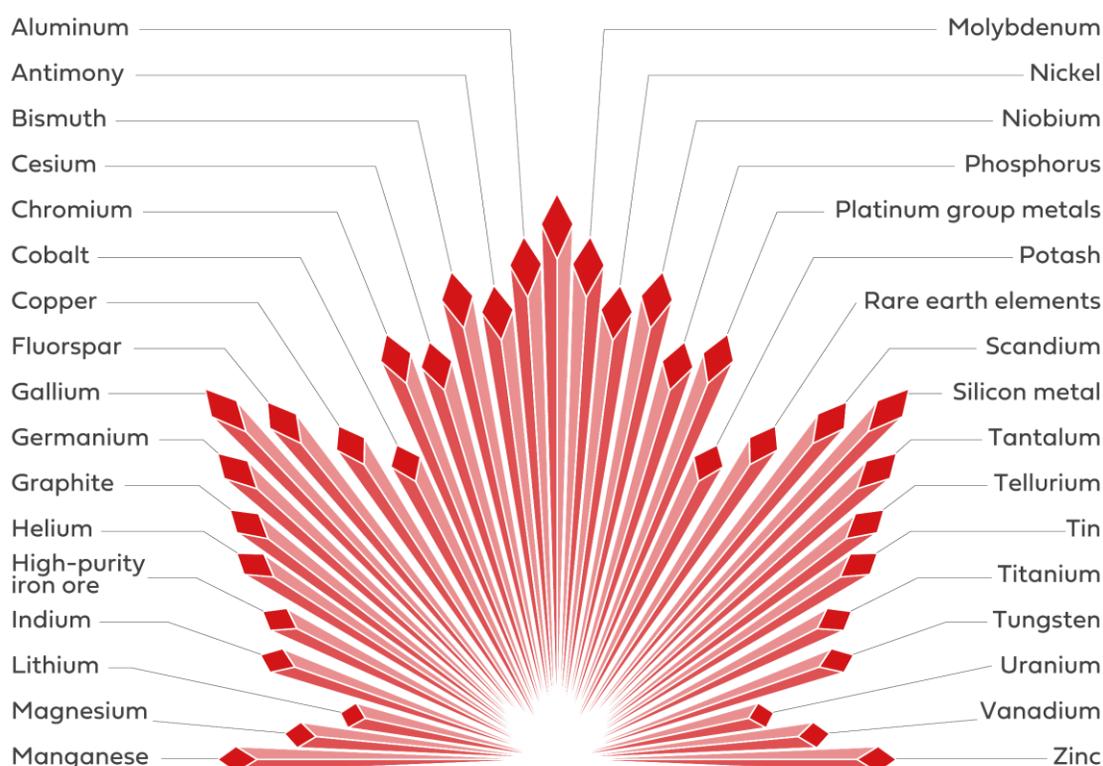

Time: 1:30 pm – 2:30 pm

Location: BGS 0153

Dr. Sheri Molnar, Earth Sciences Department Chair, will lead a moderated Q&A discussion with four invited panelists with decades of expertise related to global mineral exploration, investment, and development.

We'll hear from:

- Robin Goad, President & CEO, Fortune Minerals Ltd
- Keith Morrison, President of Breniklan
- Robert Linnen, Chief Geologist in Lithium, KoBold Metals
- David Muir, Associate Vice-President, Innovation & Strategic Partnerships, Western University

Coffee and Timbits will be served.
