

CLINICAL ACADEMIC PSYCHIATRIST

Division of General Adult Psychiatry
Department of Psychiatry
Schulich School of Medicine & Dentistry, Western University
London Health Sciences Centre
St. Joseph's Health Care London

The Department of Psychiatry, Schulich School of Medicine & Dentistry, is inviting applications for full-time clinical academic faculty positions (5 positions) within the division of General Adult Psychiatry in our affiliated teaching hospitals, London Health Sciences Centre and St. Joseph's Health Care London. The Department seeks colleagues who are interested in being part of a dynamic team and committed to providing evidence-informed, compassionate clinical care.

The successful candidate should bring knowledge and experience providing patient care within an area of general adult psychiatry, which includes inpatient, ambulatory, addictions, emergency, and consultation-liaison psychiatry.

The successful candidate will serve as a role model and supervisor for our undergraduate medical students, psychiatry residents, and clinical research fellows. The candidate must have a strong academic background and a keen interest in academic medicine, demonstrated scholarly productivity and the ability to collaborate effectively with all members of the health care team and office administration staff. Consideration of applicants will include an assessment of previous performance in teaching, research, health care leadership, qualifications (including subspecialty and enhanced training), experience and interpersonal skills. Candidates that have demonstrated ability in the identified areas of opportunity will be given priority. Successful candidates seeking research careers must have a record of productivity, which can be demonstrated through a strong track record of research productivity, sustaining research funding and publications and in addition, show eagerness to serve as a research mentor for trainees.

The Department of Psychiatry is organized around four academic divisions including General Adult Psychiatry, Geriatric Psychiatry, Child and Adolescent Psychiatry, and Forensic Psychiatry. The Department also has internationally recognized strengths in psychosis, neuroimaging, mood and anxiety disorders, PTSD, and developmental disabilities.

The Department of Psychiatry places great importance on collegiality and professionalism. Our faculty are committed to providing a warm and welcoming environment for its colleagues, students, staff and guests. We are committed to supporting diversity, inclusion, and decolonization as different perspectives enrich our work. Candidates must enjoy working collaboratively with other members of the interprofessional health care team and hospital leaders.

London Health Sciences Centre (LHSC) is comprised of Victoria Hospital, the main centre of our acute psychiatry services; University Hospital; and affiliated community teaching clinics. Children's Hospital is physically located within LHSC. It provides local and regional care for children and adolescents with acute and more persistent mental health needs. St. Joseph's Health Care London's primary psychiatric site is Parkwood Institute, which serves as a regional rehabilitation resources for patients with serious and persistent mental illnesses. The Southwest Centre for Forensic Mental Health Care's mission is to provide specialized assessment and treatment for people in contact with the criminal justice system. St. Joseph's Hospital, Mount Hope Centre for Long Term Care, and community clinics complete the St. Joseph's family of facilities. The hospitals share a rich tradition of strong and close collaboration.

Western University provides an outstanding educational experience within a research-intensive environment. The University has a full-time enrolment of about 34,000 students with a full range of academic and professional programs. Established in 1881, the Schulich School of Medicine & Dentistry, one of the founding schools of Western University, has educated generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry both nationally and globally.

Details about Western University's Schulich School of Medicine & Dentistry may be found at www.schulich.uwo.ca; Western University at www.uwo.ca; the Department of Psychiatry at <https://www.schulich.uwo.ca/psychiatry/>; London Health Sciences Centre at www.lhsc.on.ca; Children's Hospital at <https://www.lhsc.on.ca/childrens-hospital/welcome-to-the-childrens-hospital> and St. Joseph's Health Care at www.sjhc.london.on.ca.

The City of London has a growing population of approximately 500,000 with a diverse cultural mix and the hospitals serve a region of two million. London is safe, family-oriented, affordable and located in the heart of the beautiful Great Lakes region. It is known as the "Forest City", due to its plethora of trees. The center of London is graced by the Thames River with nearly 30 kilometers of bicycle trails hugging the riverbanks. London is a quick one-hour drive to Stratford, known for its exceptional influences in the arts and theatre performance. In addition, London is central to its nearby cities of Toronto and Detroit and the majestic Niagara Falls.

Rank (Assistant, Associate or Full Professor) and appointment status (limited term or continuing) will be determined by experience and qualifications at the time of appointment. Candidates must hold an MD or equivalent and be eligible for licensure in the Province of Ontario. Specialist certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada or an equivalent certification body is required.

Please submit your application, including curriculum vitae, statement of career goals, highlights of accomplishments, names and contact information for 3 references to the following:
