Existing Vacancy Disclosure Statement: This position is a vacancy

The [Department of Medical Imaging](#), Division of Diagnostic Radiology, Schulich School of Medicine & Dentistry, at Western University, London Health Sciences Centre and St. Joseph's Health Care is seeking a Musculoskeletal Radiologist for a full-time clinical academic appointment to Western University. Rank and appointment status (limited term or continuing) will be determined by experience and qualifications at the time of appointment.

The Department of Medical Imaging at Western University is an integrated city-wide sub-specialty practice across the three Hospital sites: University Hospital (UH) and Victoria Hospital (VH), collectively known as the London Health Sciences Centre (LHSC), and St. Joseph's Health Care London (St. Joseph's). As the only Academic Health Sciences Centre in the second largest Local Health Integration Network in Ontario, the Department provides multiple regional services to a population of >2M.

There are opportunities for an enthusiastic radiologist to contribute to the building of an integrated, multi-disciplinary and collegial Academic Medical Imaging Department in the Musculoskeletal Division.

Position Profile: The successful candidate will be appointed in a full-time limited term Clinical Academic appointment in the Department of Medical Imaging at the Schulich School of Medicine & Dentistry. The successful candidate will take an active role in the Citywide Musculoskeletal Imaging Subspecialty Division and must be dedicated to outstanding quality in clinical operations, demonstrate leadership, teaching and/or research abilities. The successful candidate will have

completed a Fellowship in Musculoskeletal Radiology, must have an interest in academic radiology and will need to be committed to outstanding quality in clinical operations, including patient care, teaching, and research. The candidate will be required to have additional general radiology skills to participate in the on-call duties. The academic component of this position is predominantly located at St. Joseph's Health Care London and the Schulich School of Medicine & Dentistry. One day of protected academic time to support research and teaching is provided. Consideration of applicants will include an assessment of previous performance in teaching, research, and health care leadership, as well as qualifications (including subspecialty and enhanced training), experience, and interpersonal skills.

Musculoskeletal Imaging:

The successful candidate will join a division of 9 dedicated Musculoskeletal radiologists. The successful candidate will need to demonstrate successful team building skills in addition to the advanced diagnostic and interventional skills required for this position. There are excellent established collaborations across all affiliated Musculoskeletal disciplines with frequent participation in multi-disciplinary rounds and a full complement of diagnostic and interventional procedures.

Infrastructure: City wide fleet replacement with state-of-the-art High-Resolution X-Ray, Computed Tomography (six Aquilion ONE 320 Genesis Edition, and one Aquilion Prime), Magnetic Resonance Imaging (three 3.0T, and three 1.5T) and interventional angiography suites (three biplane and four single plane units) in combination with strong Industry-Academic partnerships will strengthen the academic mission.

Qualifications: The successful candidate will hold certification in Diagnostic Radiology with the Royal College of Physician and Surgeons of Canada or international equivalent and will need to meet the current credentialing requirements of LHSC and St. Joseph's. Candidates must have an MD, or equivalent, and must be eligible for licensure in the province of Ontario. Subspecialty Fellowship training in Musculoskeletal imaging is required. Additional sub-specialty expertise in another area will be a distinct advantage. The successful candidate will be a self-starter, team player and be willing to participate in all aspects of academic imaging and intervention including on-call duties as required by the Chair-Department Head.

Interested candidates are strongly encouraged to contact the respective Division Head and/or the Chair-Department Head for further details.

Compensation Details: Remuneration will include fee for service and alternative funding plan revenue.

The City: London, Ontario. London is Canada's 11th largest city with a population over 500,000, a catchment area of 2 million, and is situated in southwestern Ontario between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse city and its numerous parks, trails, recreational, cultural and sporting opportunities make it an attractive place to live.

The University: Western University is a research-intensive university with full-time enrolment of about 34,000 students with a full range of academic and professional programs. The Schulich School of Medicine & Dentistry provides an outstanding educational experience within a research-intensive environment where tomorrow's physicians, dentists and health researchers learn to be socially responsible leaders in the advancement of human health.

Affirmation Policy Statement: Western, like many postsecondary institutions in Canada, is moving beyond sole reliance upon Indigenous self-identification in its hiring processes. This is to safeguard against the use of incorrect, incomplete, or misleading information in circumstances in which a candidate has made a declaration of Indigenous citizenship or membership. Candidates who are invited for an interview or who are short-listed, and who have made a declaration of Indigenous citizenship or membership for material advantage at Western, including where required or preferred

for the position, will be asked to have their declaration of Indigenous citizenship or membership (First Nations, Métis, and Inuit) affirmed through a relational accountability process, led by the Office of Indigenous Initiatives (OII), that is consistent with Indigenous ways of knowing, being, and doing. Please contact the OII directly for details on the affirmation processes: <https://indigenous.uwo.ca/>. The policy can be viewed at: [POLICY 1.58 - Affirming Declarations of Indigenous Citizenship or Membership at Western University](#).

St. Joseph's Health Care London (SJH): A key pillar of the educational, clinical, and academic mission at Western University, SJHC is primarily an Outpatient Hospital. Several MSK programs based at SJH include the Hand and Upper Limb Centre (HULC) and Rheumatology. Other key outpatient services include Urgent Care, Urology, Medicine (Respirology, Gastroenterology and Endocrinology), the Breast Care Center and Surgery (ENT, General).

London X-Ray Associates (LXA): LXA is proud to have served London Ontario and region for over 94 years. Ours is a hybrid practice where SJH is our Academic Center, and we reach out and bring academic level care to the community. We have a long history of teaching and providing diagnostic imaging services in the academic medical imaging department, 13 community hospitals and 5 Independent Health Facilities clinics in southwestern Ontario. We are a collegial group of radiologists, technologists and administrative professionals who are dedicated to serving patients, physicians and hospitals in the communities where we work. We strive to be the best at what we do. We see our responsibility as both humbling and inspiring. Respect is the cornerstone of fostering our people-centric culture.

Research: The Department of Medical Imaging supports and encourages opportunities to engage in imaging related research with the Robarts Research Institute (www.robarts.ca), Lawson Health Research Institute (www.lawsonresearch.ca), and the Bone and Joint Institute (<https://boneandjoint.uwo.ca/>) in association with Western University and Schulich School of Medicine and Dentistry.

For further information: Interested candidates are invited to contact the Division Head for Divisional structure and responsibilities; and the Chair / Department Head to discuss Department strategy and direction.

Medical Imaging Division Head for Musculoskeletal Imaging, Dr. Imran Khan,
Imran1.Khan@lhsc.on.ca

To Apply: Qualified candidates must complete, sign and include the online application form at: <http://www.uwo.ca/facultyrelations/careers/pdf/application-full-time-clinical.pdf>. Applications must include the completed online application form, a letter of interest indicating the sub-specialty position, statement of academic qualifications and career goals, highlights of accomplishments, curriculum vitae, the names and addresses of three references and be submitted to:

Narinder S Paul BM, MRCP (UK), FRCR (UK), FRCPC
