

**Department of Medicine, Division of Emergency Medicine
Schulich School of Medicine & Dentistry, Western University
and Department of Emergency Medicine
London Health Sciences Centre and St. Joseph's Health Care London**

**ACADEMIC POSITIONS - EMERGENCY MEDICINE PROGRAM
(several positions available)**

The Department of Medicine, Emergency Medicine, Schulich School of Medicine & Dentistry at Western University, St. Joseph's Health Care London, and London Health Sciences Centre are seeking physicians for full-time clinical academic appointments at Western University. Applicants should be certified, or eligible for certification, by the Royal College of Physicians and Surgeons of Canada, or College of Family Physicians of Canada Added Competence in Emergency Medicine or equivalent. Candidates must have an MD, or equivalent, and must be eligible for licensure in the province of Ontario. The successful candidates will hold a limited-term clinical academic appointment at the rank of Assistant Professor.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence, and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social, and cultural growth in order to better serve our communities.

The Schulich School of Medicine & Dentistry at Western University is one of Canada's preeminent medical and dental schools. Established in 1881, it was one of the founding schools of Western University and is known for being the birthplace of family medicine in Canada. For more than 130 years, the School has demonstrated a commitment to academic excellence and a passion for scientific discovery. Throughout its history, Schulich Medicine & Dentistry has helped educate generations of physicians, dentists, scholars and scientists whose collective work has transformed the practice of medicine and dentistry, here in Canada and around the world. Faculty, students and alumni continue to fulfill their responsibilities as global leaders by sharing their knowledge and expertise for the benefit of all.

The Division of Emergency Medicine currently consists of 80 diverse and progressive academic clinician educators, administrators and researchers. The successful candidates for this position will have a record of proven ability for teaching and will be expected to teach at the undergraduate and graduate levels and to supervise graduate trainees. The expected role includes education of fellows, residents, and medical students in Emergency Department and Urgent Care settings. The successful candidates will have significant experience providing excellent clinical care. The successful candidates will be expected to participate in the academic commitment of the Division and Department. Please visit the [Division of Emergency Medicine website](#) to learn more.

Consideration of applicants will include an assessment of previous performance in Emergency Medicine research and teaching. Candidates with qualifications and or previous experience in Emergency Medicine research and or teaching will be given priority.

Compensation for this position will be commensurate with qualifications and will be primarily composed of fee for service, alternative payment plan and academic productivity based compensation.

Interested candidates should send a letter of interest and statement of academic qualifications, curriculum vitae, the names and addresses of three references, and also complete, sign and include the form at the following link: http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf to:
