

Clinical Academic Faculty Position
Department of Obstetrics & Gynaecology
Schulich School of Medicine & Dentistry, Western University

The Department of Obstetrics and Gynaecology, London Health Sciences Centre and Western University, London Ontario, Canada, is seeking a full time clinical academic position in General Obstetrics & Gynaecology with a speciality in **Paediatric and Adolescent Gynaecology** and a special interest in General Obstetrics and Gynaecology and colposcopy skills.

The successful candidate will hold a full-time Limited Term Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Professor, depending upon experience and qualifications at the time of appointment. Candidates must hold an MD and be eligible for licensing in the Province of Ontario. Specialist certification in Obstetrics and Gynaecology through the Royal College of Physicians and Surgeons of Canada or equivalent is required, and a formal fellowship in Paediatric and Adolescent Gynaecology. The successful candidate will have a demonstrated record of research and publication, and will be expected to maintain and support ongoing divisional research activities. The successful candidate will also have a commitment to and demonstrated aptitude for teaching, and will be expected to teach at the undergraduate and graduate levels and to supervise graduate trainees.

Responsibilities will include:

- Active participation in team-based health care;
- Active involvement in teaching, at undergraduate and post graduate levels; and
- At least 30-35% time commitment to research, education and/or administrative activities in the Department, Hospital and/or the University.

The Department of Obstetrics and Gynaecology resides in Children's Hospital with collaboration with Paediatric Surgery, Endocrinology and established clinics.

Western University delivers an academic experience second to none, challenging the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities. Western University is a research-intensive institution with a wide range of academic and professional programs (see <http://www.uwo.ca/> to learn more). Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families.

London Health Sciences Centre (LHSC), one of Canada's largest acute-care teaching hospitals, is dedicated to excellence in patient care, teaching and research. For more than 138 years, LHSC has provided patient care for the people of London, the region, and beyond. The Department of is located at the Victoria campus of LHSC; we comprise 35 full-time academic physicians, 3 basic scientists, 33 postgraduate residents, and 8 fellows. We are responsible for all undergraduate teaching in Ob/Gyn for Western; we share these responsibilities with our Windsor and distributed educational sites. We support many opportunities for research and educational development for faculty and students.

The Generalists Division provides comprehensive obstetrical and gynaecologic care. LHSC is a Tertiary Perinatal Centre serving OH West, Sault Ste. Marie, and Thunder Bay, and is the sole obstetrical site for women from the London area with over 6,000 births each year. Clinical gynaecologic services are located at London Health Sciences Centre (Victoria Campus) and St. Joseph's Health Care (SJHC). On call and emergency gynaecology consultation is provided through the general obstetrics & gynaecology call schedule. The generalist team is fully supported by all recognized sub-specialists in obstetrics/gynaecology.

Successful candidates will have a keen interest in academic medicine and the ability to collaborate professionally with all other members of the health care team. Compensation for this position will be commensurate with qualifications and experience and will be composed of fee for service, an alternative funding plan and academic salary. The anticipated start date for this position is **July 1, 2024**, although an alternate start date may be negotiated.

Interested candidates should submit a letter of interest, including curriculum vitae and names of three references, and also complete, sign and submit the form at the following link (http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf) to:

Department of Obstetrics & Gynaecology
800 Commissioners Road East, Room B2-401, London, Ontario, N6A 5W9
at OBGYNinfo@lhsc.on.ca.

For further information about the position, please contact Dr. Barry MacMillan, Chief of Gynaecology at 519-685-8500 Ext. 66247, or via email at Barry.MacMillan@lhsc.on.ca.

Applications will be accepted until the position is filled. Review of applications will begin after January 15, 2024.

Successful candidates will be required to comply with the policies and protocols of the applicable affiliated institutions.

Business Addresses:

Western University, 1151 Richmond Street N., London, Ontario N6A 5B8, www.uwo.ca
London Health Sciences Centre, 800 Commissioners Road East, London Ontario, N6A 5W9, www.lhsc.on.ca
St. Joseph's Health Care London, 268 Grosvenor Street, London, Ontario, N6A 4V2, www.sjhc.london.on.ca

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Greg Graham, Manager of Administration and Finance, at gregory.graham@lhsc.on.ca or 519-661-2111 Ext. 66144.
