The Division of Pediatric Emergency Medicine, Department of Paediatrics, Schulich School of Medicine & Dentistry, Western University, and Department of Emergency Medicine, London Health Sciences Center, are seeking an Emergency Physician. The successful candidate will hold a full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or higher depending on experience and or current academic ranking. Candidates having demonstrated expertise in Postgraduate education will be given priority. He/she will provide clinical, educational and scholarly activities in the Division of Pediatric Emergency Medicine at the Children’s Hospital, London Health Sciences Centre (LHSC). He/she will help develop academic activities and initiatives within the division and in support of the Department of Paediatrics, and the Division of Emergency Medicine (Western) and Department of Emergency Medicine (LHSC). He/she will actively contribute to the undergraduate and postgraduate education, and research programs of the Division. The successful applicant will also serve as a role model for our undergraduate medical students, paediatric residents and Paediatric Emergency Medicine Subspecialty Fellow/Residents.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities.

The Paediatric Emergency Divisional members work closely in clinical, teaching and research with members of the Departments of Paediatrics (http://www.schulich.uwo.ca/paediatrics/) and Division of Emergency Medicine/Department of Medicine (https://www.schulich.uwo.ca/deptmedicine/emergency_medicine/index.html). Collaborative research is also done with scientists at the Children’s Health Research Institute (CHRI) (www.chri.org).

The Paediatric Emergency department and the Children’s Hospital, LHSC, are state-of-the art programs and facilities (http://www.lhsc.on.ca/Patients_Families_Visitors/Childrens_Hospital/Programs_and_services/EmergencyDepartment.htm). The Paediatric Emergency Department is a designated regional Level One Trauma Centre and the Children’s Hospital is a tertiary centre for Southwestern Ontario and serves a population of over 1.8 million. (http://www.lhsc.on.ca/Patients_Families_Visitors/Childrens_Hospital/Programs_and_services/Trauma/).

For more information on the Division of Paediatric Emergency Medicine, please visit https://www.schulich.uwo.ca/paediatrics/divisions/emergency_medicine.html, and on London, Ontario, please visit www.ledc.com/why-london

Candidates for this position must have an MD or equivalent degree and must be eligible for licensing in the Province of Ontario. Subspecialty certification in Paediatric Emergency Medicine from the Royal College of Physicians and Surgeons of Canada or equivalent is required. Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of an alternative funding plan and academic salary.

The anticipated start date for this position is May 1, 2022, although an alternative start date can be negotiated. Applications will be accepted until the position is filled. Review of applications will begin after March 19, 2022.

Effective September 7, 2021, all employees and visitors to campus are required to comply with Western’s COVID-19 Vaccination Policy. Successful candidates will be also required to comply with the policies and protocols of the applicable affiliated institutions.

Please submit your application, including curriculum vitae, Letter of Interest/Statement of Academic Qualifications, and names and addresses of three references to:

Craig Campbell, MD, MSc, FRCPa
Chair/Chief (Interim), Department of Paediatrics
London Health Sciences Centre
Schulich School of Medicine & Dentistry
Western University
Email: Craig.Campbell@lhsc.on.ca

and

Christie MacDonald, MD
Chair, Emergency Medicine, Department of Medicine
Chief, Department of Emergency Medicine
London Health Sciences Centre, St. Josephs Health Care
Email: Christie.MacDonald@lhsc.on.ca

Applications will be accepted until the position is filled. Review of applications will begin on March 25, 2022. Please ensure that the form http://uwo.ca/facultyrelations/physicians/Application_FullTime_Clinical.pdf is completed and included in your application.
Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. The University invites applications from all qualified individuals. Western is committed to employment equity and diversity in the workplace and welcomes applications from women, members of racialized groups, Indigenous peoples, persons with disabilities, persons of any sexual orientation, and persons of any gender identity or gender expression.

In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Accommodations are available for applicants with disabilities throughout the recruitment process. If you require accommodations for interviews or other meetings, please contact Jill O'Dowda at jodowda@uwo.ca or 519-685-8129.
