

YOU ARE INVITED TO:

BEVEL UP

A FILM SCREENING & DISCUSSION

Bevel Up is a 45-minute documentary that follows street nurses as they reach out to people who use drugs and work in the sex trade in Vancouver's inner city. The nurses reflect on their attitudes that impact the relationship with the people for whom they provide care. The documentary raises awareness, incites reflection, and encourages conversations about non-judgmental care.

NOV. 21, 2025 | 11:00AM - 1:00PM

WELDON LIBRARY COMMUNITY ROOM

After the film, we will be facilitating a discussion and lunch will be provided.

Please register to save your seat and your lunch. As we have limited space, we appreciate you only signing up if you plan on being there with us.
