### FAQs about allocating your Bundled Ignite Internet Services

Learn more about separating the cost for the **Ignite Internet**, portion of your **Ignite TV**, + Ignite Internet bundle.

**I need a separate amount for my Ignite Internet expenses, but it's bundled with my Ignite TV service. How do I discern the cost of my internet service on its own?**

Unless otherwise noted below or unless a separate price for internet is indicated on your monthly bill, your internet service comprises 60% of your total monthly bundle price (listed on your bill under "Monthly Charges"). Please note that these percentages represent how Rogers allocates value in its bundles and is provided to you for information purposes only. Rogers is not responsible for any outcome of your use of this information.

**If you have the following bundle, your internet comprises 70% of your total monthly bundle price:**

- Ignite TV Starter + Gigabit Ultd

**If you have one of the following bundles, your internet comprises 50% of your total monthly bundle price:**

- Ignite TV Popular + Gigabit Ultd
- Ignite TV Premier + Gigabit Ultd**
- Ignite TV Select + 500 Ultd
- Ignite TV Popular + 500 Ultd
