# Emergency Travel Assistance

When you're travelling across Canada or to another country, you could face an unexpected medical incident. Emergency Travel Assistance (ETA) from Manulife Financial (Manulife) is designed to help make your business or pleasure travel worry-free.

Emergency Travel Assistance is available through your employer sponsored Group Benefits plan and in association with Manulife's ETA provider, Allianz Global Assistance. These services are explained in this brochure, however, for complete details please refer to your benefits booklet, speak to your plan administrator or contact Manulife's Customer Service Centre directly.

## ***Benefits Of ETA Coverage:***

**Around-the-clock access:** Help is available 24-hours a day, seven days a week, through the Allianz Global Assistance multilingual call centre. If you need service in a language other than English, just ask. Contact Allianz Global Assistance at the numbers listed on your benefits card or at the end of this brochure.

**Information on local medical care:** Allianz Global Assistance will refer you to a local doctor, dentist, pharmacist or other appropriate medical facility.

**Monitoring of your medical care:** The professional staff from Allianz Global Assistance will continue to monitor your care and the services you are receiving. They will maintain contact with you, your attending doctor and your Canadian doctor, to help ensure that you are receiving appropriate care.

**Limited out-of-pocket expenses:** When contacted, in advance or immediately after receiving assistance, Allianz Global Assistance will manage and pay for your eligible medical expenses, whenever possible.

## **Should Medical Assistance be Required:**

In the event of an unforeseen medical incident, you, your family member or travelling companion must contact Allianz Global Assistance as soon as possible. This is to help ensure that you and your eligible family members receive immediate and appropriate care that is monitored by the professionals at Allianz Global Assistance.

## About your coverage

Whether you travel outside your province or country of residence, your coverage is for immediate medical treatment of a sudden, unexpected injury or a new medical condition; or a specific medical problem or chronic condition that was diagnosed but **medically stable**\* prior to departure.

Coverage is available for medical emergencies related to pregnancy as long as travel is completed at least 4 weeks before the due date.

**Medically Stable** means that in the 90 days before departure, the insured person (you or your dependant) has not:

- been treated or tested for any new symptoms or conditions;
- had an increase or worsening of any existing symptoms;
- changed treatments or medications (other than normal adjustments for ongoing care);
- been admitted to the hospital for treatment of the condition.

Coverage is not available if you (or your dependant) have scheduled non-routine appointments, tests or treatments for the condition or an undiagnosed condition.

A medical emergency ends when the attending physician feels that, based on the medical evidence, a patient is stable enough to return to their home province or territory for any ongoing or follow-up treatment.

## Eligibility Requirements

In order to remain eligible for this benefit and services, please be advised of the following:

You must maintain your government health insurance plan (GHIP), for example, your Ontario Health Insurance Plan (OHIP).

You must not travel beyond the maximum number of consecutive out-of-province days as outlined in your benefits booklet.

There may be other limitations such as age restrictions, and dollar limitations. Please refer to your benefits booklet for details or contact the Manulife Customer Service Centre.

## Claims Payment

To help ensure your claim is managed efficiently, and that you do not incur any unnecessary out-of-pocket expenses, please be aware of the following:

Your policy may require that your claim exceed a minimum dollar amount (e.g. \$200) before Allianz Global Assistance can make any payment arrangements with the provider of services. If this is the case, you will need to pay for the expenses yourself, submit them to your provincial health insurance plan, and then submit the outstanding balance to Manulife Group Benefits for consideration. Please refer to your benefits booklet for details and contact Allianz Global Assistance for filing details specific to your plan. Please note that Allianz Global Assistance will still provide assistance services, regardless of the dollar amount of your claim.

Once contacted, Allianz Global Assistance will arrange to pay for all eligible emergency medical expenses, whenever possible. They will also coordinate, where appropriate, payment of the claim on your behalf with your government health insurance plan and Manulife. You will be asked to sign authorization forms allowing Allianz Global Assistance to coordinate this on your behalf.

Allianz Global Assistance will also provide, and guarantee, advance payments to facilities before medical services are provided, when required (whenever possible).

If you do not contact Allianz Global Assistance and pay the provider directly, you must submit the claim to GHIP first for reimbursement. Any outstanding balance may then be submitted to Manulife. Please include a copy of your GHIP statement and a detailed explanation of the circumstances regarding your emergency treatment. Please contact the Manulife Group Benefits Customer Service Centre for information on how to submit your claim.

Please note that if payments made on your behalf are for ineligible services or amounts, Manulife reserves the right to recover any over-payment.

Reimbursement of out-of-pocket expenses is based on reasonable and customary charges as determined by Manulife. Reimbursement is in Canadian funds and is based on the rate of exchange at time of claim.

Claims must be filed within the appropriate time frame as noted in your benefits booklet. For example: within 12 months from the date the claim was incurred.

## Medical And Hospital Benefits

Emergency medical and hospital benefits include (but are not limited to) the following:

- Medical referrals to appropriate providers and/or facilities;
- In-patient services such as room and board, physician fees, and other medically necessary expenses incurred during your hospital stay;
- Out-patient services such as physician fees and diagnostic services, etc.;
