Welcome!

This tool is designed for individuals to track and
understand how their research impacts policy.

First, we'll need a few details to help us find your
research.

We recommend using your ORCID ID, if you have one, to find
the research linked to your ORCID record. This is usually the
fastest way to get started.

The screenshot shows a web interface for 'SagePolicyProfiles'. It features a dark blue header with the text 'SagePolicyProfiles'. Below the header is a light gray background. In the center, there is a white rectangular box containing the text 'Is this you?'. To the left of this box, there are three input fields: the first is labeled 'ORCID ID' and contains '0000-000', the second is empty, and the third is labeled with a green ORCID icon and the URL 'https://orcid.org/0000-000'. To the right of the white box, there are two buttons: a blue button labeled 'Yes, continue' and a white button with a gray border labeled 'No, go back'.
