#### **Attachments**

Prepare all attachments following the guidelines below.

- Language should be suitable for reviewers who may not be experts in the discipline.
- Pages must be 8 ½" x 11", with margins of at least ¾" (1.87 cm)
- Text must be single-spaced, no smaller than 12-point font (Arial, Times New Roman or similar)
- The name of the project leader should be in the header
- Images and figures are allowed, within the stated page limits

# Part A: Proposal Description (Maximum 5 pages)

#### Must include:

- I. Objectives and Hypothesis: provide the objectives and underlying hypothesis
- II. **Present State of Knowledge:** describe the context of the proposed research.
- III. **Methodology:** describe the research design, including methods, analysis and criteria for evaluation.
- IV. **Research Impact and Dissemination:** explain the significance for your field of study and the knowledge dissemination plan.

# Part B: References (Maximum 2 pages)

List any literature references cited in the proposal.

# Part C: Budget Justification (Maximum 1 page)

#### Must include:

- I. Detailed explanations for costs itemized in the budget table above. Applicants should include written quotes for equipment and travel when submitting the application.
- II. Specific justification why support is being requested from this funding source, i.e. why other funds, currently held or potentially available, cannot be used. If additional funding is being sought for this project, it must be disclosed here.

## Part D: Letter of support

Letter from a well-recognized referee from the applicant's field of research. Referees are **not** required to be "arm's length".

## Part E: Current CV

Any format, no page limit.
