### TIP #3: HELP EXISTS! SEEK IT OUT AND IMPROVE YOUR GRADES

Whether you're an 'A' student or a 'D' student, you can strengthen your skills. Check out Western's Learning Development & Success. Get to know your professors and teaching assistants. Use study guides and help centres.

#### ACTIVITY:

There are so many helpful learning-related resources available to you on campus. Please complete the chart with information regarding how to reach each of your professor's and/or TA's, how to access any relevant campus help centres, and how to connect with Learning Development & Success. Keep this list handy so, if the need arises during the academic term, you will be able to quickly and easily find relevant learning assistance.
