

Mathematical and Statistical Sciences Fostering Achievement Award

Awarded to full-time undergraduate students in Year 2 or Year 3 of the Department of Mathematics or Statistical and Actuarial Sciences in the Faculty of Science based on academic achievement. Preference will be given to candidates who demonstrate community involvement. The Faculty of Science will select the recipients based on the recommendation from the School of Mathematical and Statistical Sciences.

Value: 1 at \$1,000 awarded annually

Effective Date: 2024-2025 academic year

This award was established by Jennifer Van Nest (B.A. Mathematics '03; Ivey H.B.A '02) to encourage students to keep going and to keep growing. The Mathematical and Statistical Sciences Fostering Achievement Award recognizes students who achieve academic success and give back to their communities at the same time, actions to be applauded and emulated.

Application Deadline – October 31, 2024

1. I have included a one-page statement that demonstrates my community involvement.
2. I give permission to the Scholarship Committee to print and view my academic record.
3. I have included a copy of my resume.
