In some Faculties, failing grades are distinguished as follows:

INCOMPLETE STANDING

A student who, for medical or compassionate reasons, is unable to complete their term work prior to the last day of classes and who wishes an extension in order to complete it, shall submit a written request to the Dean or designate of the Faculty in which the student is registered. The request shall include the following information:

1. the type and extent of the work to be completed;
2. the date on which it is due;
3. the name of the faculty member who will receive and grade it.

Marks/Grades; Definitions of Grades; Grading Scale for Undergraduate Students

Before making a decision, the Dean or designate will consult with the instructor and Department Chair or Director. If Incomplete Standing is granted, the Dean shall inform the student, the instructor, and the Department Chair or Director of the date by which a final grade must be forwarded to the Registrar.

Failure of the student to meet the extended assignment deadline shall result in a grade of zero (0) for the assignment unless the Dean authorizes a further extension for medical or compassionate reasons. In any case, students who continue an Incomplete Standing in a course at the beginning of the Add/Drop period of the following registration session (including Fall, January and Intersession/Summer sessions), must reduce their course load accordingly or seek permission for an overload from the Dean or designate of their Faculty.

The authorization of the Chair of the Department or Departmental Graduate Studies Committee shall be sufficient for granting Incomplete Standing for graduate students.

When a grade of Special (SPC) or Incomplete (INC) appears on a student's record, the notation will be removed and replaced by a substantive grade as soon as the grade is available.

MARKING SCALES

Marks for achievement in courses are assigned as follows:

Mark Range	Grade
90 –100	A+
80-89	A
70-79	B
60-69	C
50-59	D
Below 50	F*

* Average calculations will INCLUDE failed marks. All marks below 50% are considered failures. Failing marks below 40% will be included in average calculations as 40%, marks from 40% to 49% will be included as the actual mark reported. A count of failed attempts will be maintained.

Cumulative and term averages will be calculated to two decimal places and rounded to the nearest whole number with .45 rounded up, for the purposes of admission to and progression in modules, scholarship retention, and Dean's Honour List. This rounding provision does not apply to the calculation of individual course grades.
