The following faculty member has been acclaimed to membership on Senate in the Music Constituency for the July 1, 2026 to June 30, 2028 term.

1. **FRANCK, Peter** – Associate Professor – Music Research and Composition

A candidate statement is provided below.

FRANCK, Peter	<i>Associate Professor Music Research and Composition</i>
<p>As Chair of Music Research and Composition, I would like to be more involved with committee service at the University level. I have never served on Senate; this is my chance to do so. With respect to experience, I have served on many departmental and faculty committees. I bring the perspective of a faculty member who is active, not only, as an administrator, but also as a professor of large-enrolment core courses within Music, and as a researcher. Ultimately, I am an advocate for the Faculty of Music, a faculty that is a vibrant and integral component of Western University.</p>
